

Aura 4-Stack Multi-Station

G3-MS40

Meet the strength training needs of multiple users and maximise training options with customized Aura Multi-Stations. Our 4-stack configuration allows you to integrate four configurable stations of your choice including Adjustable Pulley (MS24), Lat Pulldown (MS51), Triceps Press (MS52) and / or Low Row (MS53). The Low Row and Lat Pulldown feature dual pulleys for a greater exercise variety, and a bottle and towel holder keep essential accessories easily accessible. In addition to offering a unique aesthetic distinction that attracts more users, our round-tube construction with automotive-quality powder-coat finish provides lasting strength and durability.

- Designed so more than one of each station can be assembled in each 4-stack
- Four configurations with a varying number of stations; 4-stack, 5-stack, 8-stack, and freestanding adjustable cable crossover
- Each configuration contains one or more of the following popular gym exercises: low row with dual pulleys, lat pulldown with dual pulleys, adjustable cable column, and triceps pressdown
- Low row and lat pulldown have dual pulley configurations for greater training variety
