

Magnum Standing Arm Curl

MG-A71

Ideal for exercises focusing on the upper body, the Magnum Standing Arm Curl features arm pad height adjustment to comfortably accommodate users of all sizes. To maximise functionality and save space, both sides of unit can be used at once. It includes durable extruded guards to protect the frame and bar in tough training environments, and the frame features a proprietary two-coat powder finish for long-lasting durability.

- Arm pad height adjusts to easily accommodate users of all sizes
- Durable extruded guards for frame and bar protection
- Utilizing both sides of the machine increases functionality and saves space
