

## Magnum VKR w/Chin

MG-A63C

Designed for training versatility, the Magnum VKR with Chin lets users take on a wide range of exercises for strengthening shoulders, arms, back and core muscles. Additionally, multiple chin grips and rock-climbing grips allow for added exercise variety. An angled back support, elbow pads and handles enhance stability and comfort, while oversized round handles provide added comfort on dips. The frame features a proprietary two-coat powder finish for long-lasting durability.

- Oversized round handles for added comfort on dip
- Angled back support, elbow pads and handles provide added stability and comfort
- Multiple chin grips and rock-climbing grips for added exercise variety
